INTRODUCTION

The Fifth Workshop of the Asian Network on Climate Science and Technology (ANCST) is organised in conjunction with Asia Pacific Network for Global Change Research (APN), Association of Southeast Asian Nations (ASEAN) and other partners. The Workshop will serve as a platform for researchers, experts and policy makers to interact and discuss science and technology needs and priorities for climate and disaster resilience, post Sendai 2015. Other aspects covered include practices in climate change adaptation, disaster risk reduction and integration of CCA and DRR as well as accounting for disaster losses.

PROGRAMME (DAY 1)

15 OCTOBER 2015 (WEDNESDAY)	
16.30 - 17.00	***ANCST Workshop Registration***
17.00 - 19.00	**Business Meeting of the Asian Network on Climate Science and Technology (ANCST)** – *by invitation only*
